## ***TakeAway* – Iowa’s Medication Disposal Program**

Monday, November 2<sup>nd</sup>, the Iowa Pharmacy Association will launch ***TakeAway***, Iowa’s medication disposal program in an effort to curb the consequences of improper medication disposal and to educate the Iowa public about proper pharmaceutical disposal. Over 300 pharmacies in 96 of Iowa’s 99 counties are participating in ***TakeAway*** and will be sites for Iowans to properly dispose of unused or expired medications.

To learn more about what medications can be disposed of through ***TakeAway*** and to find a participating pharmacy near you, visit
